BROCCOLI SALAD Submitted by Darla Moline

3 bunches of broccoli

1 bunch chopped green onions

Small can of drained, sliced water chestnuts

Real Bacon Pieces, or 8 strips, cooked and crumbled, or about ½ cup or more as desired

Handful of salted sunflower seeds

DRESSING:

½ cup mayonnaise

½ cup sugar

2 Tbsp Cidar Vinegar or Red Wine Vinegar

METHOD:

Cut Broccoli up into small pieces and mix with green onions and sliced chestnuts.

Add the bacon and sunflower seeds just before serving.

Mix together mayonnaise, vinegar and sugar. Pour over salad and stir.

Note: Make the dressing before and put in refrigerator to allow the sugar to dissolve. I like to double or triple the dressing in case I have used more broccoli, thus a larger salad.
